May 2015

On the behalf of RPMC, I would like to recommend the services of the catering company Arena Gastro - Meta Sp z o.o.

On Saturday 11<sup>th</sup> April 2015 Arena Gastro provided high quality dinner catering in the VIP zone for 300 people participating in the VIP for UFC Kraków at the TAURON Arena in Kraków.

I am pleased to say that the catering service was performed in a timely manner and with diligence and accuracy. The company has provided high standard of service in terms of organization and food quality. Of particular note were the full commitment, reliability and flexibility of all Arena Gastro-Meta's staff members.

The company's professional approach has helped create a nice setting for this important event. We would not hesitate to recommend the services of Arena Gastro-Meta to any companies and institutions that value integrity and professionalism in the assigned tasks.

We look forward to working with the team again.
